

B Light's Inserto Small Track is a one of a kind fixture

Posted by jas On December 18, 2014 0 Comment

Inserto Small Track is an original and innovative fixture on a low-voltage power magnetic track that is actually a combination of practical solutions with creativity.

Thanks to the sleek and minimalistic design, Inserto can fit in and enrich any modern environment.

The fixture is made of extruded aluminium with PVC and caps and comes with different colour temperatures: warm white 2700K and 3000K, and natural white 4100K.

With a lifetime of 30.000 hours, the B Light Inserto comes in three different versions: The Magnet Track F is in-line recessed, and is fixed through clamps, The Magnet Track CL is ceiling-mounted or wall-mounted, while The Magnet Track SD is suspended.

B Light is an Italian designer and manufacturer of LED technology luminaires.
